A photograph of a modern subway station platform. The platform is brightly lit with overhead lights. On the right, a white train with blue and red accents is stopped. The platform has a polished floor and decorative pillars with a diamond pattern. A few people are visible in the distance.

Tehran Metro (Subway)

A photograph of Laleh Seddigh, an Iranian female racing driver, sitting in the driver's seat of a car. She is wearing a white racing helmet with a logo on the front, a blue and white racing suit, and a red jacket. She is looking out the window and holding a mobile phone to her ear. The background shows a chain-link fence.

A photograph of the Senate Building in Tehran, Iran. The building is a large, circular structure with a prominent facade of tall, white, vertical columns. It is situated on a raised platform. In the foreground, there is a wide, paved plaza with a pattern of large, light-colored stone tiles. To the left, a low metal railing runs along the edge of the plaza. The sky is clear and blue. The text "Senate Building - Tehran, Iran" is overlaid in yellow at the bottom left of the image.

A veteran Mercedes Benz - Tehran

A long, straight asphalt road stretches into the distance, flanked by tall, thin, bare trees. The road is wet and reflects the overcast sky. The trees are arranged in neat rows on both sides, creating a sense of perspective. In the background, there are rolling hills or mountains under a grey, overcast sky. The overall atmosphere is quiet and somewhat somber due to the lack of leaves on the trees.
